6 WESTERN DISTRICT OF WASHINGTON
7 AT SEATTLE

8 MATTHEW HODJERA, *et al.*,

9 Plaintiffs,

11 BASF CATALYSTS LLC, *et al.*,

12 Defendants.

No. C17-0048RSL

ORDER FOR FURTHER BRIEFING

13
14 Earlier this year, the Court dismissed plaintiffs' claims against a number of defendants for
15 lack of personal jurisdiction. The dismissals were without prejudice, and plaintiffs were given
16 leave to amend if they could allege facts showing that their claims arose out of defendants'
17 purposeful contacts with this forum. See, e.g., Dkt. # 153 at 5. The Court ultimately found that
18 plaintiffs' amended jurisdictional allegations were still deficient and denied leave to amend.
19 Although the order should have stated that no further leave to amend would be granted, it instead
20 used the shorthand phrase "dismissed with prejudice." Dkt. # 186 at 3.

21 Plaintiffs timely filed a motion for reconsideration, requesting that the order denying
22 leave to amend be modified to show that the dismissal remains without prejudice. The Court is
23 inclined to grant the request and therefore directs the Clerk of Court to renote "Plaintiffs' Motion
24 to Modify Order Denying Plaintiffs' Motion for Leave to Amend Complaint" (Dkt. # 200) on the
25 Court's calendar for Friday, September 1, 2017.
